Re: List under the Form 8966 FATCA Report

Dear Sirs,

As you have known, the Government of the United States of America and the Government of Vietnam have almost come to the final stage of negotiation to conclude the Inter Government Agreement on Foreign Account Tax Compliance Act (FATCA) between our two Parties. Although this time the Inter Government Agreement between our two Parties has not been signed yet, the Credit Institutions in Vietnam have screened and reviewed their software systems to provide information requested by FATCA to IRS.

To ensure the compliance of Credit Institutions in Vietnam with IRS request and for the reporting deadline of 28/9/2015, the State Bank of Vietnam would like to attach herewith the list under the Form 8966 FATCA Report and all of its supporting information of the Credit Institutions in Vietnam for 2014.

The State Bank of Vietnam would like to thank and look forward to receiving the full support from IRS.

Yours sincerely, 

Pham Huyen Anh
